You should go home, too.

Thank you, mom. Always remember to be with a happy heart.

Then

Just now, while
she is already

she has never
acknowledged her mother

I don't know

Either way,

yet.

I guess I can sleep
in your room then.
Let's talk while I get
ready.

I am sending you
to Shady.

I have interviewed
Gordon. He told me you
know that the crown
prince of Shady
recently had his wife

The king also requested
you to be his new wife

YOUR Majesty!
The prince's wife is
over 40 years old
and has already
been twice

You will be sent along
with the girl as an
iron thronemaid

Yuletrop!

I got it real fast!

If you are going
to keep what you
I am leaving

Leave!

Nothing here was right
for you right now.
You're over it all you

Went up right to spend
realizing my life wasn't real

Even though I was no longer
seen you'd be

I thought I would tell her
about writing me down
my feelings about you
only for myself

He said he'd be there

After returning to
the school
I began to long
for sweet dreams

Now tell me the
story of a heroine the
daughter of a man and
a prince who she had
a dream

Let me tell
the story
yourself
Then surely
I will tell you
another one
someday

Did that story
interest you?

I was really surprised
that I was able to get ahead
of Luchita from
the mail-order

and I thought
you were a real
you-know-what-or-
something about her

I thought you'd get
used to talk about her

Have

She's not even

on top of
the talked-about

I've finally realized
I gave them

I see people

My love and

survive with me

And I'll continue
to be strong

And I'll

According to what
I've learned
it seems like you
don't really

My guess is that
there's more
than one of them

Mother ...!

I don't know
that about the other
somewhere
in some town

I heard
that you'd
be there
somewhere

Thinking I'd be
driven to believe
and experience

You don't know how
it would be for us
I thought

I am sorry

I am sorry for crying
in front of Mrs. Becker
who said slavery

please forget and
that I would be cry

Forgive me

Dear God ...

Please do not forget
those who cannot return

The background of the image is a highly detailed, black and white illustration of an ornate architectural interior. It features a series of arches and columns, with intricate carvings and patterns. The perspective is looking upwards, emphasizing the height and grandeur of the space. The lighting is dramatic, with strong highlights and deep shadows, creating a sense of depth and texture. The overall style is reminiscent of classical or gothic architecture.

Wow ...

You are very
beautiful, m'lady !

We go on and on,
after that not only
you and your story

That time
it was a golden
prison

Long up with only
transformation into being

I don't know what
kind of path she is

She was originally
a third-class passenger (B

She has made a great

How many heads

Come out
Bismarck

That would have been

How large would the

He said
The company

Harold? It seems

Of course, I am sure that the post-ambush lockdown policy is perfect for you to maintain a sustainable change.

But why Theodore's constant rule for equality of Asian?

I don't really know anyone or anything. You are the only one I could ask of such a thing.

Do please forgive my awkward and do not refuse this
